

Behaviour Policy Juniors

If a child or children misbehave in a session the coaches will:

- Try to deal with the matter by speaking to the child/children.
- If the misbehaviour continues or if the initial incident warrants it, the child/children will be removed from the lesson.
- Children removed from a lesson will be sent to the ball wall to practice, here they can be monitored by the coaches. If the junior courts are in use at the time, children will be asked to wait in the alley between the courts.
- If a child/children is removed from a lesson, their parents will be contacted by text message to inform them of the incident and the occurrence will be recorded in a log managed by the junior committee.
- Repeated misbehaviour will result in a child/children being removed or not invited back to coaching sessions and their spot(s) will be offered to children on the waitlist.
- If there is an episode of misbehaviour the coaches feel warrants escalation, it will be referred to the committee. The committee will deal with the matter in accordance with the club rules and constitution.
